

## Sound Bite – Who is Working on the KY BARS Project?

### The Kentucky Budget, Accounting, and Reporting System (KY BARS) Project

## Did You Know?

KY BARS is the name of the project that is working to change our systems to Workday. The KY BARS project team includes staff from DPH, LHDs, and Deloitte. Here's how the team is coming together to implement Workday:

- DPH is coordinating the effort to bring 58 LHDs onto one shared platform, Workday.
- LHDs are supporting the KY BARS project by acting as Data Validators, Testers, Data Collectors, and Change Ambassadors.
- Deloitte is the project's consulting partner who is configuring the system, analyzing and supporting organizational readiness for the shift to Workday, and developing training.
