Connect Your Passion with Our Purpose

If you are a nurse looking for a career that offers work-life balance, professional development, and the chance to contribute to the health of your community, then look no further. Three Rivers District Health Department has an immediate opportunity for you to join our dedicated and mission-driven team.

Qualified candidates will have an associate degree from an accredited college or university in Nursing. No experience required.

You must possess excellent assessment skills and have experience across the lifespan. Equally important is your ability to work independently in challenging situations. You will need an aptitude for communication, both verbal and written.

This position serves under the direction of the Community Health Manager or other supervisor assigned. Responsibilities for this position include, but are not limited to:

- Performs professional public health nursing services focusing on prevention including:
 - Child health
 - Adult health
 - Sexually transmitted disease
 - Preparedness
 - Communicable disease
 - Tuberculosis
 - Immunizations
 - May provide emergency preparedness services, infectious disease control and other services.
- Maintains timely, complete, and accurate documentation in the patient health record.
- Participates in all necessary training to ensure understanding of and adherence to model elements.
- Participates in team meetings, as well as various inter-Department and intra-Department teams, to ensure continuity and consistency in service delivery as defined by protocols, procedures, grants, and program standards.
- Administers vaccines and medications for emergency plans as needed.
- Adheres to nursing standards of practice and follows Department procedures and protocols as well as local, state, and federal regulations.
- Participates in preparedness exercises and emergency responses.

Three Rivers District Health Department is committed to diversity, inclusion, equity, and providing a welcoming environment. We also offer:

- Comprehensive benefits package, including accrual of vacation and sick days and 11.5 paid holidays; medical insurance, and optional dental, and vision coverage; life insurance.
- Training, development, and promotional opportunities
- Flexible work hours; 37.5-hour work week with occasional weekend assignments. Full time, usual hours 8:00 a.m.–4:30 p.m., M–W, 8:00 a.m.–6:30 p.m. on Thursday, and 8:00 a.m.–1:30 p.m. on Friday including lunch break. Hours may vary depending on events that are taking place; community events may be held in the evenings and on weekends.
- Paid overtime
- A guaranteed pension plan via KPPA Retirement System
- Opportunities for Public Service Loan Forgiveness program for eligible workers

- Commitment to diversity, inclusion, equity, and a welcoming environment. Affirmative action commitment.

Please note: This posting is not meant to be an all-inclusive list. It presents highlights of the position's scope and function and the candidates' requirements and rewards.

Application Instructions:

- Apply via Indeed or <https://trdhd.com/jobs/>
- Three Rivers District Health Department is committed to the full inclusion of all qualified individuals. In keeping with our commitment, Three Rivers District Health Department will take the steps to ensure that people with disabilities are provided reasonable accommodations. Accordingly, if reasonable accommodation is required to fully participate in the job application or interview process, to perform the essential functions of the position, and/or to receive all other benefits and privileges of employment, please contact Sherry Fitzgerald (502) 484-3412.
